HEALTH & SAFETY

Z Express recognizes its moral and legal responsibility to provide a safe and healthy environment for employees, customers and the community. We are committed to providing an ongoing commitment to 'SAFETY'. This commitment extends to ensuring that the operations of any "Team" workplace does not place anyone at any unnecessary risk of injury, illness or damage to property

Z Express views the legislative requirements as the minimum acceptable standard and will constantly strive to achieve the highest possible standards of occupational health and safety. Transport is a highly legislated industry and over the last few years we have seen a vast amount of new legislation that affects what and how we do things. We devote considerable time ensuring we meet all regulations concerning our sector. A few examples of these standards are:

- Zero Harm to ensure we are updated with all legislative changes and proactively review and update our policies and Procedures accordingly.
- All drivers holding heavy License, trained and certification.
- All drivers undergo comprehensive induction and training prior to commencing employment and undergo annual audits
- All contractors are registered in our (MS) for Management System
- All drivers carry appropriate Personal Protective Equipment (PPE)
- Drivers and Safety Officers conduct complete site safety inspections
- Z Express provides training for employees & contractors to carry out duties safely whilst meeting all legislative requirements.
- We have a dedicated "Risk Team" employed to oversee all our safety policies, procedures, training and implementation
